Professional Development Music Workshops

- ♪ Aug 15th - Mount Pleasant
(changed venue)
- ♪ Sept 12th - Duncraig

You Gotta Get Up Workshop Outline

Leonie and her team have designed Professional Development Music Workshops based on their experience, knowledge and passion for music and children. The session, based on Leonie's successful *You Gotta Get Up* series, will leave you motivated and inspired to continue educating through music.

The music workshop will provide an interactive and 'hands on' music session and will include movement, percussion playing, singing, props and laughter! All songs have a therapy focus of either occupational therapy, speech therapy, physiotherapy, yoga or kinesiology. Songs and props are used to motivate and engage young children by providing visual and tactile experiences through the use of bubbles, streamers, scarves, instruments, squeeze balls, rainbow rings, tactile rings, scrunchies, brushes, balloons, hand puppets and more . . .

The workshop is designed for Music Specialists, Special Education Teachers, Early Childhood Teachers, Parents, Carers, Child Care Workers, Therapists (OT, SP, Physio) and anyone else working or living with young children up to 8 years of age.

Registration is 30 mins before workshop commences. Workshop Notes, a Participation Certificate and afternoon tea will be provided.

Comfortable clothes are highly recommended!

You Gotta Get Up Workshop Details

The workshop is based on favourite songs from all four books/CDs from Leonie's *You Gotta Get* series. The session is designed as a 're-motivating' workshop and is a repeat of previous content as requested! No new material will be presented at this workshop.
